HOT INK

has offset 70.5 tonnes of CO₂ equivalent for 2017/2018 carbon footprint

with carbon credits from the
Wonderbag Project
Verified Carbon Standard

Climate Neutral Group invests in emission reduction projects which combine energy, environment and developmental solutions into sustainable business opportunities in developing countries.

Our offset projects are carefully selected for their wider social and environmental benefits. These socially progressive projects simultaneously reduce carbon emissions and improve the quality of life of people who are threatened by the impacts of climate change. As such, they are a powerful tool for sustainable development.
